**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please stop regulation of the Internet providers. We need competition. I have tried the big providers and they don't provide the service that my independent provider does.

I am disabled and will soon be a disabled senior. I need access to the world with the Internet. The big providers have always been difficult to do business with and they will only get worse if they dominate the lines. Voting on this will only put us back in the dark ages.
